

Safety Is Job #1

US Air Travel 2019

10 Million Domestic Flights

1.8 Billion Passengers

14 Accidents

Fatalities 2019

33,487

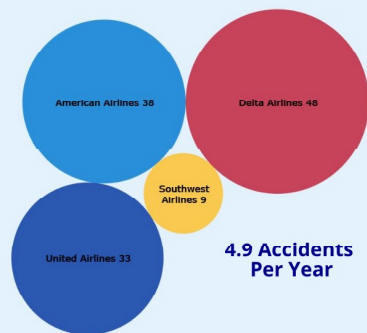

269

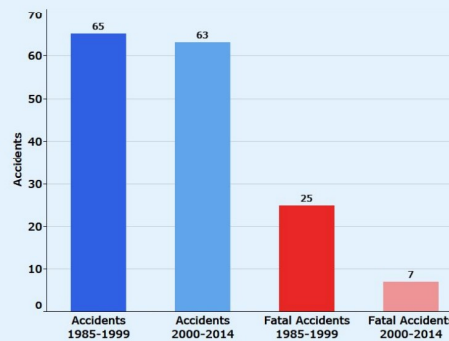

0

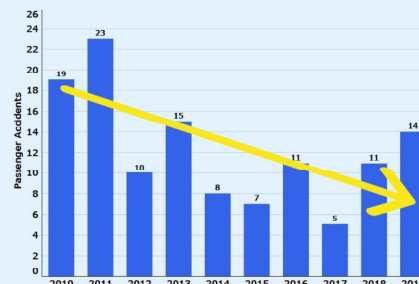

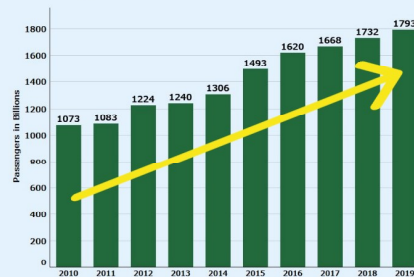

Only 148 Accidents By Major US Based Airlines In The Past 30 Years

Prioritizing Safety Has Decreased Accidents, Especially Fatal Accidents

Over 10 Years, There's Been A 60% Increase in Passengers And A Steady Decrease In Airline Accidents Because Of New Technology, Better Training, And Increased Safety Procedures

Advances In Airline Safety Contributes To A Better Travel Experience, Increasing Customer Satisfaction

Southwest Airlines Winner 2022 & 2023
